

CPEN Review ONLINE!

Give yourself, a friend, or your staff the tools to improve their pediatric emergency skills! This fast-paced review webinar is for emergency and critical care nurses who want to prepare for and pass the CPEN exam. Scott's CPEN Crash Course is designed to give participants easy ways to remember important tips & tricks. Our goal is prepare nurses for real peds emergencies as well as the CPEN exam! The instructor has entertaining and helpful videos, real-life case studies, and a unique game show style review session that is sure to leave nurses feeling more confident and peds prepared.

"It is refreshing to have a speaker who is not only extremely knowledgeable, but makes the learning experience fun. I enjoyed the helpful hints, mnemonics given and most importantly, the energy!"

- Kim Reynen, RN

"Scott was hilarious! His presentation kept me laughing and engaged the whole time! Absolutely fantastic!"

- Ann O'Donnell, RN

Presenter

Scott DeBoer RN, MSN, CPEN, CEN, CCRN, CFRN, is an internationally recognized pediatric emergency nurse expert. Scott has been presenting to tens of thousands of nurses around the world for over 20 years. In addition to his extensive training in emergency, critical care, and flight nursing, Scott has co-authored over 100 medical articles for nurses, paramedics, and respiratory therapists. He also wrote the very first CPEN Review book in 2010, and has since updated his CPEN book, "Putting It All Together" into its now 3rd edition that includes over 1000 emergency review questions. Scott created this highly engaging emergency and critical care review seminar for both intermediate and advanced nurses alike. Often called the "Jim Carrey" of the nursing world, Scott's use of humor and personal experiences will have nurses laughing as they learn.
