

You did it
FOR THEM
YOU DID IT
FOR YOU

**We're thankful you went above
and beyond to become a
board certified emergency nurse.**

Whether your motivation was creating a better life for your family,
yourself, or the rest of the world, you accomplished it with grace,
strength and determination. Way to be the change!

Signed

BCEN® is pleased to provide these recognition materials, and proud to be a partner in the success of our board certified emergency nurses. To learn more about board certification, visit [BCEN.org](https://www.bcen.org).
