

# Ready To Level Up?

**Certification can take you there.**

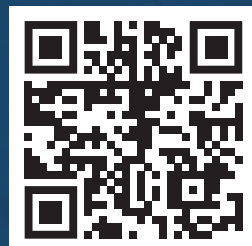

A study shows that board certified emergency nurses are more likely to receive promotions, advance their position and have higher retention. That means we get the best nurses, and you get the best career.

We support certified emergency, trauma and transport nurses.

Discover how board certification from BCEN® can do more for your patients, your organization ... and for you.

**BOARD OF CERTIFICATION  
FOR EMERGENCY NURSING™**  
Excellence. Achievement. Impact.
