**BOARD OF CERTIFICATION  
FOR EMERGENCY NURSING™**  
Excellence. Achievement. Impact.

BCEN\* is pleased to provide these recognition materials, and proud to be a partner in the success of our board certified emergency nurses. To learn more about board certification, visit [BCEN.org](http://BCEN.org).

Wherever you go, you leave a trail of smiles  
in your wake. When your shift seems the  
longest, when it feels your feet won't carry  
you another step, and even the strongest  
coffee isn't enough to get you through...  
you keep going. Lifting spirits, touching  
hearts ... saving lives.  
For that, and for everything else you do as  
a board certified nurse, we thank you. We  
see you. And we recognize you for a job  
exceptionally well done.
