

Your Journey to Certifi**ED** Success and Lifelong Learning.

# Be Prepar**ED**.

Get ready to learn and earn CEs with BCEN Learn. Our award-winning online continuing education platform is designed to offer nurses like you relevant, quality education and the opportunity to earn CE credits for recertification and professional development. All BCEN Learn offerings are designed by subject matter experts, so you'll stay up-to-date on the latest industry trends and best practices in an interactive and cost-effective setting.

CE credits earned on BCEN Learn will be automatically uploaded to your BCEN CE tracker upon completion, streamlining your recertification process. These unique and affordable online CEs are available anytime, anywhere, on any device.

## BCEN**Learn**

### Online Courses

BCEN Learn courses are interactive and engaging, providing a wide variety of topics every emergency, trauma and transport nurse needs to contribute to professional development and training.

### Practice Exams

BCEN's practice exams are built by subject matter experts to help you achieve your goal of board certification. Experience an authentic test-taking experience and familiarize yourself with the exam format, plus earn 3 CEs!

Get started with non-timed or rapid-fire Quick 10 Questions formats, or take a timed exam to mimic the real-life testing environment. You'll receive diagnostic feedback, rationale, and references to identify your strengths and weaknesses and help focus your studies.

## Free Webinars

Our free monthly CE webinars are hosted by industry experts who provide impactful insights into relevant topics in emergency, trauma, transport, and burn nursing.

Sign up for upcoming live events, or access on-demand recordings to learn and earn free CEs on your own schedule.

## Podcasts

The "BCEN & Friends" podcast features entertaining, inspiring, and thought-provoking conversations with BCEN certified nurses, thought leaders, and industry professionals in emergency and critical care nursing. Episodes explore the intersection of nursing, lifelong learning, cultures and lifestyles to create value and insight for you—professional and certified nurses across the emergency spectrum.

Stream anywhere you listen to podcasts, including Spotify, Amazon, Apple Podcasts, and more!

## Educational Events

Experience a truly unique and interactive nursing conference: BCEN Learn Live! With a variety of emergency and critical care CEUs, professional development, networking, and relaxation packed into a fun few days of learning and growth, our educational events will inspire you to take the next step in your nursing career.

Can't make it to a live event? Stream past conference sessions on demand with virtual conference bundles on BCEN Learn.
