Empowering Emergency, Transport and Trauma Nurses

2020 sees strong and steady growth in the number of credentials held by nurses delivering expert care across the emergency nursing spectrum. By year-end, 52 nurses hold all five certifications.

Over 50,000 nurses are BCEN®-certified in one or more specialty for a total of 56,756 active BCEN credentials.

Across the U.S.A. & Around the Globe

BCEN-certified RNs practice in every U.S. state and around the world.

BCEN's new International Credential Evaluation service paves the way for more nurses to become BCEN-certified.

In 1980, BCEN was founded and launched the CEN certification, our first emergency nursing certification.

All year long, BCEN recognizes, honors, inspires, entertains and thanks BCEN-certified nurses.
