## DEVELOPING THE WORLD'S FIRST BURN NURSING CERTIFICATION

2022 saw major progress in the development of BCEN's new burn nursing specialty certification, the **Certified Burn Registered Nurse (CBRN)**, including the release of the certification name, seal and exam content outline. Beta testing for the CBRN is planned to begin in the summer of 2023.

“

In 2022, BCEN continued to offer support to nurses based on direct feedback from our certification holders. The BCEN Learn platform offerings grew markedly, providing education that can be used immediately in clinical practice, leadership and teamwork.
