Looking For A Rapid Review Of Sick Kids?

This live engaging emergency and critical care review seminar is for emergency and critical care nurses, as well as transport teams, who provide urgent care to pediatric patients and their families. This review program is designed to give the participant easy ways to remember important tips and tricks pertaining to pediatric emergency nursing. Any nurse or paramedic that wants to be more fully prepared for pediatric emergencies should complete this live review program. The instructor, Scott DeBoer, has entertaining and helpful videos, real-life case studies, and uses a unique game show style review session that is sure to leave attendees feeling more confident in their pediatric skills.

We guarantee you'll laugh as you learn!

Presenter

Scott DeBoer RN, MSN, CPEN, CEN (Ret), CFRN (Ret), EMT-P is an internationally recognized pediatric emergency nurse expert. Scott has been presenting to thousands of nurses around the world for over 20 years. In addition to his extensive training in emergency, critical care, and flight nursing, Scott has co-authored over 100 medical articles for nurses, paramedics, and respiratory therapists. Scott also wrote the very first CPEN Review book in 2010, and has since updated his CPEN book, "Putting It All Together," into its now 4th edition that includes over 1,200 emergency review questions. Scott created this online, highly engaging emergency and critical care review course for both intermediate and advanced participants alike. Often called the "Jim Carrey" of the nursing world, Scott's use of humor and personal experiences will help you review AND remember.
