

Certified Pediatric Emergency Nurse (CPEN)

Review Course

Wolfson Children's Hospital is excited to host a 1-day CPEN Review Course, crafted to help you level up your pediatric expertise. Whether you practice in a large hospital, pediatric ED, free-standing ED, or a rural site, this course is designed with you in mind. When every second counts, CPEN training helps you bring confidence, clarity, and compassion to pediatric emergencies. At Wolfson Children's, we believe every child deserves exceptional care — and that starts with empowered, knowledgeable nurses like you!

Speaker:

Scott DeBoer RN, MSN, CPEN, EMT-P

Scott is a dynamic international pediatric seminar leader and educator with over 30 years of hands-on experience in emergency, critical care, and flight nursing.
